

PRIVATE ROADWAYS, OR UNOPENED/UNASSUMED RIGHTS OF WAY

At this time of year, it is important to remember that Fire Department Emergency Response Vehicles can't negotiate long, rural driveways, private roadways, or unopened/unassumed rights of way if snow or other obstructions are permitted to accumulate.

It is the responsibility of the property owners to be diligent about maintaining these access routes free of obstructions. Please help your firefighters by doing your part to avoid unnecessary delays in reaching your home in the event of an emergency. Every second counts!
